Dear Doug,

In like a lion and out like a lamb, is the old saying about the month of March. Discover the World had the great blessing of launching a new website and will be visiting Kenya again to meet up with our amazing partners during the end of the month.

As we reflect on God's provision during this Lenten Season, we are recommitted to the children in Kenya and the hope which only Christ can bring into their lives. His restoration and peace provides so much goodness to these children. We are blessed to have such faithful people investing in the future of those we serve.

Discover the World's New Website

Last month we introduced our new logo to you. With great excitement and after months of preparation Discover the World has a new website!

www.discovertheworld.org

We are so thankful for the talents and gifts in design by Kathy Hernandez and Tony Garzio. Their efforts have brought a new look to DTW on the world wide web!

With this new website it is now easier to learn about our work, educate others about Discover the World, how you would like to become part of DTW by Volunteering, and how to electronically donate!

We hope that you take a moment to look at the new features and continue to be blessed by what the Lord is doing in Kenya!

Forward to a Friend

As we make new friends here at Discover the World we encourage you to forward this newsletter on to your friends too!

This gives the opportunity to contribute both through support and financially.

Inspiration

"We wait in **hope** for the Lord; he is our help and our shield."
Psalm 33:20

A Special Reflection...

This month we have been blessed with the opportunity to visit Kenya again and see the work being done there by our partners and local staff.

It was a time of great celebration as we met with friends but also a sobering reminder as we witnessed countless children still wandering villages in Kenya and the streets of Nairobi.

Please continue to pray with us for the children not only being served by our partners, but the children who desperately need to be cared for and loved. We know our heavenly Father watches over them and trust His mercy in their lives.

Thank you and God bless,

Doug Millham
President
